

Alumni/Spouse 50% Discount Application Form
The Assumption College Alumni and Spouse Discount Program
The Center for Continuing & Career Education

In 1999, The Center for Continuing & Career Education established *The Alumni Discount Program*, a 50% standby discount for Assumption alumni (with bachelor or graduate degrees) and their spouses on a space-available basis for regularly scheduled, credit-bearing courses. Hundreds of alumni and their spouses have taken advantage of this program. As an eligible student, you must:

- 1) Complete a Continuing Education registration form during the registration period for the semester in which you plan to take courses.
- 2) Complete this *Alumni/Spouse 50% Discount Application Form*, and submit it with the registration form to the Continuing Education Office.

Your name will be placed on a waiting list for the Continuing Education course(s) you have chosen. If, at the end of the regular registration period, the course has a minimum of seven full-paying students and no more than the maximum enrollment allowed, the Center will contact you for payment at the discounted rate. If the course is not available at the discounted rate, you will have the option of paying the full price or choosing another course.

IMPORTANT: This form must be completed and submitted at the time of registration; alumni and spouses who register for courses without submitting this application form at the time of registration will not be eligible for the discount for that semester.
