Dear sponsors and friends,

The spirit of the Assumptionists and Assumption College were truly embodied in Father Georges Bissonnette. Today we host the 42nd annual Father Bissonnette Invitational, and honor his memory once again. The FBI Tournament has enjoyed great success each year, making it one of the finest tournaments in Central Massachusetts.

This wonderful day would not be possible without the continued generosity of our sponsors and supporters. Since its inception in 1974, this event has raised more than $1.5 million for the College.

Proceeds from the tournament benefit both the College’s student Financial Aid Fund and the Athletics Department. Requests for financial aid from our students have increased significantly in the past few years. Without your support, it would not be possible for many of our students to attend Assumption College and receive the benefits of a private, residential, Catholic liberal arts education.

Thank you for joining us today. We deeply appreciate your support of Assumption College, our students and our Athletics Department.

Sincerely,

Francesco C. Cesareo, Ph.D.
President, Assumption College
The Father Bissonnette Invitational Golf Tournament was established in 1973 to honor Fr. Georges Bissonnette, A.A., the twelfth president of Assumption College, and to provide scholarship funds to Assumption students. Fr. Georges has been remembered by many generations of Assumption students as the spirited professor of Philosophy and Political Science, always intent on sharing his encyclopedic knowledge as well as his remarkable insights.

Fr. Georges served as the dean of the Faculty (1962–68) and then as the twelfth president of the College (1968–72). It was during his presidency that the Lay-Religious Board of Trustees was established and Assumption admitted female undergraduates for the first time.

A noted lecturer and scholar in Russian history and Soviet Studies, Fr. Georges pursued graduate degrees at Columbia University, receiving an M.A. from the Russian Institute, as well as M.A. and Ph.D. degrees in Public Law. He also studied in the School of Foreign Service at Georgetown University. It was largely due to Fr. Georges’ influence that the Foreign Affairs major was instituted at Assumption.

Fr. Georges’ most famous book is undoubtedly *Moscow Was My Parish*, describing his two years (1953–55) as the only Catholic priest in the Soviet Union. Actively involved in the Worcester community, he served as vice president of the Chamber of Commerce (1971–78), director of the Y.M.C.A. (1960–80) and director of the United Way (1965–80). He also served for many years as the chaplain of the Harmony Club.

Throughout his life, Fr. Georges had one love: Assumption College. A man of varied interests and unusual accomplishments, he remained in many ways the simple and unassuming son of poor French Canadian immigrants. His warm personality and disarming simplicity endeared him to many. May his memory inspire many to pursue equally lofty goals in living service to the Church and the Commonwealth.
