DEPENDENT VERIFICATION WORKSHEET 2020-2021

We ask that you use the IRS Data Retrieval Tool on the FAFSA to submit your taxes for verification. If you are **ineligible** to use the IRS Data Retrieval Tool, please submit a 2018 tax return transcript which can be requested at IRS.gov **or** a signed copy of your federal tax return. For Puerto Rico residents or foreign income, a signed tax return is acceptable.

This worksheet must be returned to our office with all sections completed before your financial aid can be finalized.
