Guidelines on Repertoire Selection

1. We are looking to hear **two contrasting pieces of varied musical styles of any length**. Your teachers may be your best resource in selecting these pieces.
 - a. In addition, performance of at least three major scales played slowly in half notes (60 beats per minute) - two octaves when possible.
 - b. Sight reading may also be required.
2. We are not necessarily looking for the most highly polished and technically perfect player. We are looking for instrumentalists with strong potential and desire that we believe can grow and develop over four years here.
3. An accompanist is not necessary.
3. Remember that we **want** to see you succeed and find a home on our campus!

The Audition

1. An approximate 15-30 minute audition will be scheduled on January 27 or 28. Limited accommodations can be made if these dates cannot work or travel to MA is not possible.
2. This interview will be a space for us to hear you, answer questions, and learn a bit more about your interest in Assumption University
