STUDENT REGISTRATION INFORMATION
FALL 2014 COURSE SELECTION

A registration form is available on the Portal for students who are registering for courses which require paper registration (signature of the Chair or instructor required signatures, etc.) The form should be brought to the Registrar’s office by Friday, April 4th.

You may also submit a registration form, signed by your advisor, if you do NOT want to use on-line registration and would prefer to have the Registrar’s office enter the courses for you. These forms should be brought to the Registrar’s office prior to your class’s registration days. (See below for dates). Please be aware that those forms will get processed AFTER on-line registration has been opened for several hours. Course availability may be an issue.

If you are able to register for all your courses on-line, you do not need to submit a registration form to the Registrar’s office.
