

## **STUDENT REGISTRATION INFORMATION SPRING 2017 COURSE SELECTION**

There are registration forms available in the Registrar's office to be used for courses which require paper registration (signature of the Chair or instructor required signatures, etc.) These forms should be brought to the Registrar's office by **Friday, November 4<sup>th</sup>**.

You may also submit a registration form, signed by your advisor, if you do **NOT** want to use on-line registration and would prefer to have the Registrar's office enter the courses for you. These forms should be brought to the Registrar's office prior to your class's registration days. (See below for dates). Please be aware that those forms will get processed **AFTER** on-line registration has been opened for several hours. Course availability may be an issue.

If you are able to register for all your courses on-line, you do not need to submit a registration form to the Registrar's office.
