

## Clear Your Cache On Chrome On A Mac

1. On the browser toolbar, click the Chrome menu icon.

2. Select the Clear browsing data link.

3. Use the drop-down menu to select “the beginning of time”.

4. Select the Cookies and other site and plug-in data and Cached images and files checkboxes. You can select multiple checkboxes for other browser information to clear as well, *anything marked with red arrows is optional*.

5. Click the Clear Browsing Data button.
