

Assumption College Community Emergency Response Team

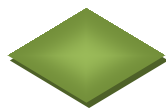

New for the 2016-2017 academic year, Assumption College is developing a CERT (Community emergency response team) program! Trained students, staff, faculty and administrator volunteers have the opportunity to respond and assist during emergency and non-emergency incidents.

Assumption CERT Program

- Trained with the 16-20 hour FEMA curriculum.
- Additional training in disaster response, recovery, mitigation and prevention.
- Take part in campus safety events.
- Assist Campus Police during emergency incidents.
- Participate in Campus Police training.
