

Federal Direct Loan Guide

As part of your Financial Aid package, you were awarded Federal Direct Unsubsidized Loans. These loans do not require you to have a cosigner but do require at least half-time enrollment in the college.

Federal Direct Unsubsidized Loans will begin accruing interest from the time of disbursement. The student may opt to pay this interest while enrolled. Federal Direct Unsubsidized Loan terms and conditions for graduate students each year include a fixed interest rate and loan origination fee. The loan origination fees are deducted proportionately each time a loan disbursement is made to the student's account.
