

Massachusetts law requires all full-time students to have health insurance coverage. As a result, all full-time students are automatically billed for the university's student health insurance plan.

If you have comparable coverage, you may waive this charge by providing proof of your existing insurance. You can waive or enroll in student health insurance coverage beginning Tuesday, May 20, 2025. Completing the waiver process early ensures the charge is not added to your account before tuition bills are posted. Below are the coverage plans that are available:

Insurance Plan Options

Plan	Insurance Cost	Coverage Dates
Annual Plan	\$4,321	8/15/25-8/14/26
Spring-Only	\$2,556	1/14/26-8/14/26

How to Waive or Enroll

Complete the process online through either:

- www.universityhealthplans.com/assumption
- The Student Account Center in the Assumption Student Portal:
myportal.assumption.edu

You'll need:

- Your 7-digit Assumption student ID number
- Your date of birth
- Your current medical insurance card and details (if waiving)

If you do not complete the enrollment or waiver form by the payment deadline, you will be automatically enrolled, and the charge will be added to your billing statement.
